#### Editors Note:

From all reports, the Christmas party was a ton of fun. Walt and Helen are so gracious to let the club invade their home for parties! Thank you, Sandersons!

Take special notice in the minutes that we will have a speaker at the January meeting. Many of us have older dogs who suffer from arthritis (like some of their owners) and we need to learn what we can do for them. I, for one, am hoping that there are some new regimens to help our 4-legged friends and not have to rely on glucosamine/chondroitin all the time. ~~Please come to the meeting and learn all you can about this condition that strikes many~~
