The Prez Sez

I'll start by saying, I am sorry about the foul-up at the restaurant with our meeting room. I will call one week in advance to prevent this from happening again! I hope to see more members now that we are thawing out. We have some interesting speakers lined up in the future. Willie will elaborate in the newsletter .

Thanks,
Walt

Notes from your editor:

He dreaded flu visited several members last month so we missed those who were struggling with sickness. Hope all are hale and hearty now.

You will want to attend this meeting. Gail aBerge and Ynette White will be with us and talk to us about local and national legislation that affects us all, either now or in the near future. Gail and Ynette are lobbyists for Georgia Canine Coalition, of which the Griffin Kennel Club is a member. It is important to know how the Coalition benefits us, and you will be thankful that they serve the purposes of 1 legislative watchdog and 2 proactive resources for our politicians regarding canine legislation.

You will find a new roster included with this newsletter. Please let Tammy know if any of your information has changed.
